TIME: - 4:30 to 5:30

VENUE: - ICT ROOM, ASANSOL ENGINEERING COLLEGE.

Description about the program: -

The celebration marked the one-year anniversary of the IEEE Student Branch & MTT-S IEEE AEC SBC, organized by the AP-MTT IEEE Student Branch Chapter at Asansol Engineering College.

The event commenced with our chairman extending a warm welcome to all faculty members and students in attendance. He delivered an opening speech, followed by an invitation to our vice principal to address the gathering. Our chairman then invited our vice principal and all faculty members to join in for the cake-cutting ceremony.

Subsequently, our treasurer, Ananya Ghosh along with our chairman, Mr. Biswajit Bose, conducted a presentation highlighting the significant IEEE events held over the past year, offering insight into the chapter's activities.

Our Chapter Chair delivered an extensive introduction to Vtools, emphasizing its diverse capabilities. They covered essential aspects such as reporting procedures, sending e-notices, and documenting both current and past events. Their presentation included valuable advice on optimizing Vtools for our chapter's activities.

To conclude the program, a memory video was showcased, providing a nostalgic reflection on our journey. This touching moment marked the end of our celebratory event.
