

**Report on**  
**Language and Communication Skills Development Program-1st Year CSE 02<sup>nd</sup> January 2021**

The Training & Placement cell have been organized a Language and Communication Skills Development Program for 1<sup>st</sup> year students of Computer Science & Engineering Dept.at Asansol Engineering College “**how to use practical tips on verbal and non-verbal communication, concentrating on voice dynamic** ” from 02 January 2021 in collaboration with MRS. Anindita Mazumdar, MRS. Huma Jahangir , Mr. suman chokraborty, Mr. Debasis Jana (Freelancer) have been invited by the college management team to oversee the whole event with their expertise and knowledge. All students from the mentioned department have taken part in this program.

The aims achievements expected outcome and problems encountered in running this programme are specified below.

**Programme Objectives:-**

- To help the students to incorporate the effective and oral and written communication competency in graduate degree and improve the communication skills of them.
- To establish the language requirements for different Professional fields.
- Enhance information on courses, resources and financial support for language learning offered by the different agencies.

**Course coverage:-** The following modules have been selected for the different years:

Year	Modules	Coverage
1st Year B.Tech CSE	Para language or voice signals	Done
	Facial expression and importance of eye contact	Done

**Student participation:-**

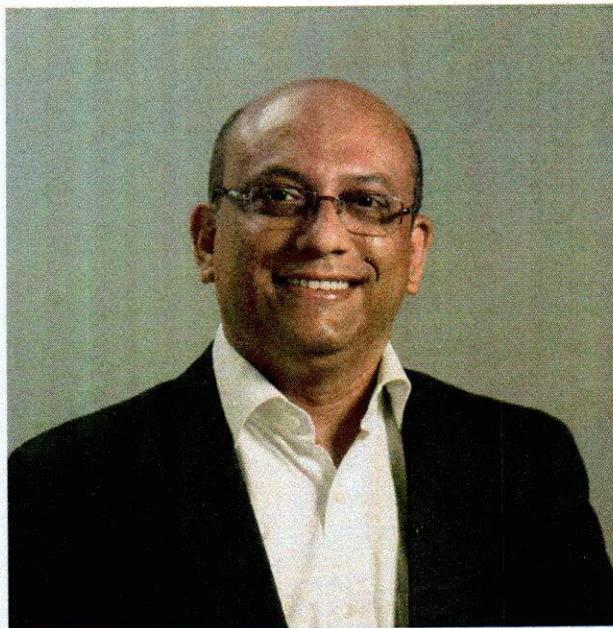

Out of 183 students 170 students attended the training session. Students have in general responded warmly to the teaching and instruction given. The speaker has adopted the following measures.

- Motivating students to attend by pointing out to them the usefulness of the modules.
- Introducing worksheets and innovative content.

**Programme Outcomes:-**

- Students acquired knowledge of Para language or voice signals
- Students acquired knowledge of Facial expression and importance of eye contact.
